<ul> <li>Where an international application with a priority claim of one or more earlier applications filed in KIPO designates KR, the earlier applications for which priority is claimed shall be deemed withdrawn at the expiration of 15 months from the filing date of the earlier applications. It is strongly recommended either to withdraw the designation of KR within the 15 months from the priority date or to enter the Korean national phase by furnishing necessary translation for the international application(where the application is filed in non-Korean langage) and Form No. 67 under the Article 203 of the Korean Patent Law and by paying the prescribed national fees within 30 months from the priority date.</li> <li>* The International Bureau monitors the transmittal of the record copy by the receiving Office and will notify the applicant (with Form PCT/IB/301) of its receipt. Should the record copy not have been received by the expiration of 14 months from the priority date, the International Bureau will notify the applicant (Rule 22.1(c)).</li> </ul>
